<sup>1</sup>Destiny Discover is supported on smartphones. Destiny's search features are accessible from tablets (including iPad and Chromebook devices). For full circulation and cataloging functionality, Follett recommends using desktops and laptops.

<sup>2</sup>Scanning of barcodes in the Follett Destiny app is supported on third-generation iPads and iPhone 3GS or later.

<sup>3</sup>Destiny Discover is supported on Kindle Fire devices via the browser. The Destiny Discover app for Android is available for Kindle Fire HD and Kindle Fire HD+. If you have a 3rd-, 4th- or 5th-generation device, you can install the app through a process called "side-loading". For details, contact Follett Technical Support at 888.511.5114.
