

## Course Options and Descriptions

Build your own on-site professional development day based on your needs!

Combine sessions to create your own full-day workshop:

- Two half-day sessions
- One half-day session, plus two 90-minute modules
- Four 90-minute sessions

Pricing is based on size and location of event.

Minimum of 10 attendees/\$2,500 per day.

Maximum of 25 attendees.

Sessions are targeted to librarians, library staff and library administrators. Or, use them to provide a collaborative professional development opportunity for others in your school.

## Building Success In and Beyond the Library

### Half-day sessions

Session	Description	Who Should Attend
<b>Curating, Collaborating and Leading with Collections by Destiny</b>	Librarians have been masters of curation since long before the digital age. Demand for reliable resources continues to grow. Collections by Destiny® makes it easy for librarians to store and organize curated resources in a platform they already have and use. Even better, Collections by Destiny is designed to promote collaboration among librarians, teachers and students. Research has shown that when librarians and teachers collaborate, students benefit. Join us as we explore how to use Collections to increase collaboration and promote student engagement.	<ul style="list-style-type: none"> <li>• Librarians</li> <li>• Library Staff</li> <li>• Library Administrators</li> </ul>
<b>Making the Most of Destiny Discover</b>	Not only does Destiny Discover™ give you seamless access to the print and digital materials in your library, it helps guide your students to online resources. Explore ways to maximize your use of Destiny Discover. This includes how to customize the experience for students, and search for resources that align with learning objectives. Also, enjoy access to limitless, curated digital resources while cultivating responsible digital citizenship.	<ul style="list-style-type: none"> <li>• Librarians</li> <li>• Library Staff</li> <li>• Library Administrators</li> <li>• Curriculum Specialists</li> <li>• Instructional Coaches</li> <li>• Administrators</li> <li>• Teachers</li> </ul>
<b>Maintaining an Organized Library</b>	An organized library is efficient and lets you focus on helping students. When you know what is in your collection, you are better able to ensure that patrons have what they need. Explore best practices of performing inventory, managing title and copy records, and keeping patron data up to date.	<ul style="list-style-type: none"> <li>• Librarians</li> <li>• Library Staff</li> <li>• Library Administrators</li> </ul>
<b>Using Reports to Support Library Advocacy</b>	Destiny® Library Manager has many preformatted reports for gathering data about your library. In addition, use Destiny's Report Builder to analyze customized data. As a result, you can better support your students, faculty and school district in meeting academic goals and advocating for your library.	<ul style="list-style-type: none"> <li>• Librarians</li> <li>• Library Staff</li> <li>• Library Administrators</li> </ul>
<b>Creating a Collaborative Environment in Your School</b>	Librarians can help support students' overall educational success. As instructional partners, librarians are in a key position to collaborate with teachers in the planning and delivery of instruction across all content areas. Together, find out how Destiny digital resources can connect libraries with instruction and classroom learning. Using Collections by Destiny, you can promote critical thinking and information literacy. This workshop is intended for teachers and librarians to attend together and learn about new ways to collaborate and use library resources.	<ul style="list-style-type: none"> <li>• Librarians</li> <li>• Library Staff</li> <li>• Library Administrators</li> <li>• Curriculum Specialists</li> <li>• Instructional Coaches</li> <li>• Administrators</li> <li>• Teachers</li> </ul>

## Getting Started in Destiny Library Manager

90-minutes sessions

Session	Description	Who Should Attend
Configuring Library Manager	Use Destiny Library Manager to give library staff and patrons access to only the data and functions they need.
