Follett New School Services
Presenting Follett New School Services

Follett works with educators around the globe with one primary focus – building world-class school libraries and classroom collections.

Whether you are opening the doors to a new school or reimagining existing spaces, Follett goes beyond the expected, to provide a hassle-free and comprehensive experience, from acquiring materials to shelving, tracking and more.

Our dedicated New School team implements comprehensive and integrated services.

Opening a new school is a huge task. Wherever you are in this process, Follett can help you –

Identify and acquire the best quality materials for your classrooms and library to meet the needs of your school’s unique curriculum, including US, UK, IB, IPC, National Curriculum and more.

Track all your high-valued assets including content, technology and resources

Keep the project on-time and within your budget

With Follett New School Services, we will be with you every step of the way, providing you with the tools, services and resources to lay the strongest possible foundation for student success.
